

Christianity After Religion

THE END OF CHURCH & THE BIRTH OF A NEW SPIRITUAL AWAKENING

with DIANA BUTLER BASS, author of *A People's History of Christianity: the Other Side of the Story* and *Christianity for the Rest of Us*

What does the future hold for people of faith? Scripture affirms God's promise of a new heaven, and a new earth. So is there to be a new church, a new way of being in community before God and with one another?

Join Diana Butler Bass and conversation partners from different Christian denominations and faith traditions in exploring how the Spirit might be leading God's people to live into the future. \$265
